Description:

I am very excited to be offering our first *Guitar Camp* at DCMS, especially for young guitarists with at least one year of playing experience. My goal is to provide an encouraging musical environment where we can focus on building ensemble skills.

Parents are welcome to come and watch. Please plan on attending at least one session to help out with break-time.

Participants will be invited to play in one of the fall 2008 student recitals at DCMS. Non DCMS guitar students are welcome.
